

Consuelo_s@thebabynursenyc.com

Consuelo is the Administrator of The Baby Nurse - "Where Babies are our Business". She has 20 years experience as a Baby Nurse. She is a native of Trinidad & Tobago, a mother of two children - 1 boy and 1 girl, both married and a grandmother.

Known in her circle as "the mother hen", she has a wealth of knowledge in dealing with babies, not only as a Baby Nurse but from practical experience as a mother and grandmother. Much of this is taught to both parents with great care and patience. She is experienced with special needs infants, premies, singles and twins. She is also certified in First Aid.

Consuelo is blessed with great communication and organizational skills. All of which the client benefits from before her tenure is complete. She organizes and labels all the baby's closets and clothes ranging in sizes for easy transition when she leaves.

Consuelo is very professional, really enjoys babies, takes pride in her work, and has a great personality. She enjoys reading, listening to music, going to the theater, solving word puzzles, and giving time to various charities. She loves to travel, visit places of interest and is an animal lover. Her leisure time is spent with her children, their spouses and of course her grandsons. She believes children are a gift and should be loved and nurtured beyond measure.
